

Safe people, Safe places

Protect your children

The safety and wellbeing of our children is paramount. As parents and carers we can't always be with our children to advise and protect them.

When out and about, children can be confronted with situations where good decision-making is vital. With this in mind, advising our children with appropriate responses to certain situations will help them avoid trouble and danger.

Here are some simple tips to give your children for when they are out and about.

Protect your child walking home

- **ALWAYS** identify safe places on the way home from school.
- **DO NOT** stop and talk to people you don't know. Go straight home or to your intended destination.
- **ALWAYS** find a safe place if you feel frightened. These include schools, shops, churches or police/fire/ambulance stations and tell them that you are frightened.
- **NEVER** get into a car with someone you don't know.

Protect your child on public transport

- **NEVER** travel in isolated areas. Find crowded carriages, guard's compartment (marked with a blue light) or at the front of the bus.
- **ALWAYS** try to travel in groups of friends if possible.

Protect your child when in public spaces

- **ALWAYS** carry a contact number for your parents. (On a card attached to your clothing, written on your arms or in your phone).
- **DO NOT** walk away from family or friends without telling them where you are going, when you'll be back and who you are with.
- **ALWAYS** walk away from fights or arguments, unpleasant or aggressive behaviour and take your friends with you.
- **REMEMBER**, always tell your parents, carer or teacher if something has happened.
