Dear Parents and Carers

Welcome to Canterbury Public School for 2025. On behalf of our whole learning community, I would like to warmly welcome our new families to our school. We are honoured that you have placed the education and care of your children in the hands of our team.

Thanks to those who were able to stay for *Tea and Tissues* this morning. I am sorry that I could not be there to share this very special milestone with you today.

For your convenience, this letter has also been emailed to you to make following all links to online resources and documents easier.

Class placement for Kindergarten

You may recall that classes will be formed after careful consideration and observations during the Orientation program and the first few days of school. Class formation takes hours of team work to achieve optimum classroom dynamics to maximise learning for all students. Thank you for your patience as we make this important decision for your child's benefit.

If your child's friend from preschool happens to be placed in a different class, please be assured that Kindergarten engages in plenty of learning activities with the three classes combined and students also have 105 minutes a day of playtime before school, at lunch and recess. I hope that you share my confidence in our teachers' professional judgement.

Impressively, by all accounts, the children are settling in quickly and making new friends already!

At home, you can support your child with a cheerful outlook and positive conversations about school. This will go a long way in setting up your child for a successful first year of school. If you have any concerns, I encourage you to make an appointment to discuss them with your child's teacher in the first instance and Mr Searle, the Early Stage 1 Assistant Principal if further consultation is required. You will find that everyone at Canterbury is here to help and there is no such thing as a silly question.

Suggestion box

Canterbury PS is dedicated to continual improvement and school excellence. Please consider sharing with us your ideas and feedback on what we are doing well and/or how we could improve on programs, community engagement, policies and systems. <https://goo.gl/forms/DZzNsxKejP5BurNk1>

Are our records correct?

Hopefully every child received my letter via Australia Post a couple of weeks ago. Please contact the office on 02 9718 2884 when your residential address or contact details change.

Class Connect 2025

Class Connect is an informal social group run by volunteer parents at CPS to provide opportunities for families to meet and foster friendships outside of school hours. Please contact the Office on 02 9718 2884 ASAP if you are interested in volunteering to coordinate a social group within your child's cohort. More information will be shared at *Meet the Teacher*.

Staffing

This year we are thrilled to welcome Ms Blumer, Ms Akiki, and Ms McSpadden (classroom teachers), and Ms Chitra and Ms Najmeh (school learning support officers) to the CPS team.

This term we have a few staff on leave including Ms Burke, Mr Lay, Ms Kenny and Ms Lee.

You will receive your teacher's email address at *Meet the Teacher* afternoon. In the meantime, please contact the office if you need to make time to speak with your child's teacher.

Attendance and explaining absences

Attendance at school is compulsory and students must attend every day the school is open for instruction. Parents are required to explain the absence of their child from school promptly and within seven days of the first day of any absence. Extended leave of six or more school days requires written prior approval from the Principal. Parents of absent children who have not already explained the absence will receive an SMS asking to provide an explanation. Replying to the text message is the most convenient way of communicating promptly with the school. If your child attends before or after school care and they are away, parents are responsible for informing Primary OSHCare directly.

Home time etiquette

It is parents' responsibility to supervise toddlers and pre-schoolers when on site to keep them safe.

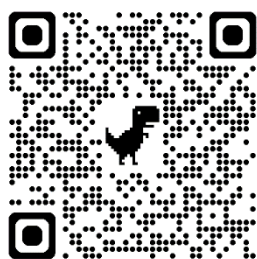

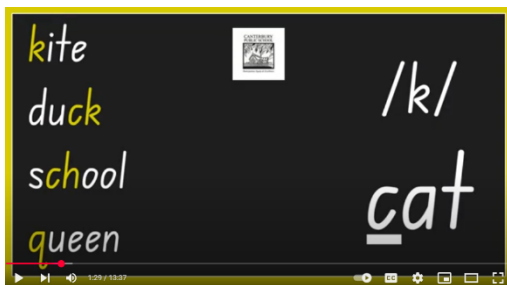

The Aboriginal Outdoor Learning Area is culturally sensitive and is not a play area. The message sticks' artworks belong to our Aboriginal students and must not be touched. Thank you for your respect and cooperation.

It is the responsibility of parents and carers to arrange collection and supervision of children from 3:20pm. If you are running late, please notify the school by phoning 02 9718 2884 so that we can communicate with your child and allay any worries they may experience. Students who are not collected on time will need to wait in the office foyer and parents will be contacted. Late collection of children will take place via the Church Street office gate. Buzz reception and a staff member will bring your child to the gate. Under the law, ongoing supervision concerns are considered a child protection matter.

Homework

The completion of homework is a school expectation and formal homework will commence after *Meet the Teacher*. In the meantime, please encourage your child to read every day and you are welcome to read our Homework Policy located on SZapp via the Forms and Documents tile and visit our YouTube channel to learn more about our Counting Cards program. <https://www.youtube.com/channel/UCpZSjQ-1V7jigT8J8Vc01w> (or Google Canterbury Public School counting cards).

New phonics resource for home

Produced by Mr Searle and Ms Considine in response to CPS parents and carers' requests for a Standard Australian English phoneme reference/resource to use at home. Use the QR code to view or click [here](#).

Voluntary School Contributions

A **voluntary** contribution of \$51.00 per child this year will be used for the purchase of additional school resources such as library books, enhanced communication systems, site maintenance, additional capital items and equipment and additional programs beyond the core curriculum. Other than excursions, stage-based activities, PSSA and carnivals, there are no other costs this year.

Volunteers and Parent Helpers

We are fortunate to have the support of many parent, carer and grandparent volunteers to assist in different aspects of school life. If you would like to volunteer at the school in any capacity this year, please complete this survey <https://forms.gle/NmcFj1n97tygRZiL9>.

Canteen (Operated by Made Fresh)

Lunch orders must be given to the canteen before 9:20am (learning time). Please remember to *let your child know before school* if you have ordered their lunch online so that they know to collect their lunch. Online orders can be placed via the [Flexischools](#) app by 9:30am each day. Your feedback to *Made Fresh* and to the school is encouraged. The [current menu](#) is located on the SZapp via the Forms and Documents tile.

Library, *Kids Who Read, Succeed!* and the NSW Premier's Reading Challenge

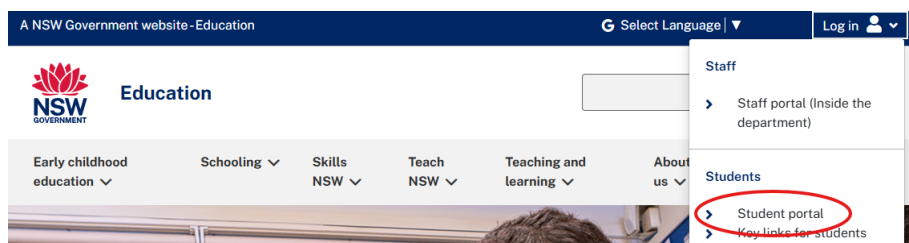

Students visit the library once a week to borrow books. Returns can be made during library time but also before and after school – just pop the book in the 'Bookie Monster' to the right-hand side of the door to the library as you arrive or leave for the school day.

The ***Kids Who Read, Succeed!* (KWRS)** program will be up and running soon. Please keep the reading journal that you receive in a safe place at home and remind your child to read every day! Milestones such as reading for 25, 50, 75 and 100+ days will be rewarded with a token which goes into a draw for prizes of free books! Prize winners are drawn twice a term during our online assemblies.

The **2025 NSW Premiers Reading Challenge (PRC)** also opens on Monday 24th February. This links in well with our KWRS and involves logging books online to achieve a certificate at the end of the year. Last year we had 101 students in the school achieve their PRC certificate which is the number to beat in 2025! To participate, students will need to log in at home by going to the Education NSW website at:

<https://education.nsw.gov.au/>

The 'login' button at the top right-hand corner of the page has a drop-down button, from which your child can select 'student portal'.

The login details for this portal are the same as your child's login they

use at school. If you do not know your child's school login details, please contact your classroom teacher.

Premier's
Reading.

Inside the portal, you will see a button with the PRC worm on it.

Click on the PRC button and then the banner which says 'Student Experience Site' to log any books your child reads at home.

2025 Premier's Reading Challenge

Students will learn to navigate to this page during library lessons to log any books read at school. If you have any questions regarding the PRC that are not answered by the Frequently Asked Questions (FAQ) page on the website, please contact Ms Parkes at jenny.parkes@det.nsw.edu.au.

We have so much more planned in the library this year, including book clubs, appointing library monitors and of course the all-exciting Book Week experience in Term 3. Stay tuned and keep checking the newsletter for updates.

A reminder that all students should bring a library bag to protect books borrowed. This is also great for keeping notes from school, reading journals, home reading books and homework books dry. Library bags protect our books from their arch enemy - the leaky water bottle!

Extracurricular programs (in addition to the core curriculum)

At Canterbury we offer an impressive range of extracurricular programs for students to explore personal interests, and further develop skills and talents. **Updated information about 2025 programs will be sent home to families within the next few weeks.**

Strings Ensemble and Band applications are now open. Please follow the links to find out more about registering for Strings and/or Band. First in, first served! **Strings ensembles** <https://cpsclubs.info> **Band** <https://www.schoolbands.com.au/>

Code of Conduct

Canterbury Public School is more than a primary school. It is a safe, inclusive and harmonious community which encourages and supports all parents and carers to be actively involved in the education of their child. This welcome extends to all visitors, volunteers and friends of Canterbury.

The Code of Conduct clearly outlines expectations around the behaviour, communication and responsibilities of all parents, carers, visitors and volunteers. One of the best ways children learn appropriate behaviour is through positive role models, and so it is essential that parents, carers, visitors and volunteers display appropriate behaviour to create a positive environment where everyone is respected. Entry to Canterbury Public School depends on compliance to this code.

The Code of Conduct ensures that anyone who visits the school site can do so in a safe and friendly manner. In addition, this code protects students, staff, parents and other visitors from aggressive, hostile, bullying or violent behaviours whilst on school grounds.

Please take the time read the Code of Conduct carefully. It includes helpful information regarding who to contact when you have a specific query or concern. <https://canterburyps.schoolzineplus.com/d/33568>
